

Eve for Education - Manifesto

Hi! My name is Eve and I'm running to be the next TCDSU/AMLCT Education Officer.

I'm a fourth year Molecular Medicine student from Co. Offaly, the current STEM Faculty Convenor and the student representative on the Undergraduate Studies Committee. I've also previously served as the Wet Lab Rep on the Education Committee and on the Engagement Committee. If elected here are some of the main things I will fight for:

A Student-Centred Education

- As Education Officer I will push for the reform of the current quality review process to include more student feedback and focus on teaching not administration.
- I will advocate for new approaches to collecting student feedback on modules
- I will push for greater supports for off-books students, such as full library services.
- And I will work to develop an Erasmus hub with details of locations, courses and requirements.

An Affordable and Accessible Education

- I will develop a hidden cost guide to help inform students of costs associated with their degrees and advocate for better college supports to cover these.
- I will lobby for the introduction of a discount for Trinity Graduates continuing Postgraduate study here.
- I will push to ensure all students LENS requirements are being met and advocate for improved training of exam invigilators.
- And I will advocate for the continued integration of UDL principles across curricula

A Modern Education

- I will advocate for the development of a college-wide Generative AI Policy to ensure the fair treatment of all students and it's responsible integration into teaching
- I will continue to work towards the implementation of modular repeats and the ability to carry failed credits
- I will work to develop a comprehensive lecture recording policy to help support working and commuting students.

A Supportive Union

- Class Reps are the bedrock of our Union, as Education Officer I will work to foster a greater sense of belonging within the SU, with more events for reps beyond Comhairle and hold open fora to allow for direct input into solutions to academic issues.

We're all here to get an Education and I want to use my experience and passion to help make that process as smooth as possible and ensure that no student goes without support from their Union!

Eve don Oideachas - Forógra

Haigh! Eve is ainm dom agus táim ag seasamh le bheith mar ar an gcéad Oifigeach Oideachais eile de chuid TCDSU/AMLCT. Is mac léinn Míochaine Mhóilíneach mé ó Co. Uíbh Fhailí, Tionólaí Dámh ETIM reatha agus an tIonadaí ar Choiste Léann na bhFochéimithe. Bhí mé roimhe seo mar ionadaí don Wet Lab ar an gCoiste Oideachais agus ar an gCoiste Rannpháirtíochta freisin. Má thoghtar mé, seo cuid de na príomh-rudaí a sheasfaidh mé ar a son:

Oideachas dírithe ar an mac léinn.

- Mar Oifigeach Oideachais, beidh mé diongbháilte ag lorg leasaithe ar an athbhreithniú cáilíochta chun níos mó aiseolais ó mhic léinn a chur san áireamh agus chun béim a chur ar an teagasc seachas ar an riarachán.
- Molfaidh mé cur chuige nua chun aiseolas mac léinn ar mhodúil a bhailiú.
- Agus forbróidh mé mol Erasmus le sonraí faoi láithreacha, cúrsaí agus riachtanais.
- Lorgóidh mé tuilleadh tacaíochtaí do mhic léinn seach-chláraithe, ar nós rochtain iomlán ar an leabharlann.

Oideachas nua-aimseartha

- Molaim go bhforbrófar Beartas Giniúna AI ar fud an choláiste le cinntiú go gcaithfear go cothrom le gach mac léinn agus chun comhtháthú freagrach sa mhúinteoireacht a gheallúint
- Leanfaidh mé ag obair i dtreo athchúrsaí modúlacha agus an cumas creidmheasanna teipthe a iompar a chur i bhfeidhm
- Forbróidh mé chun polasaí cuimsitheach taifeadta léachtaí chun tacú le mic léinn atá ag obair agus ag comaitéireacht.

Oideachas inacmhainne agus inrochtana

- Forbróidh mé treoirleabhar costais fholaithe le mic léinn a chur ar an eolas faoi chostais a bhaineann lena gcéimeanna agus molfaidh mé tacaíochtaí coláiste níos cuimsithí chun iad seo a chlúdach.
- Déanfaidh mé stocaireacht chun lascaine a thabhairt isteach do chéimithe Choláiste na Tríonóide a thugann faoi staidéar larchéime anseo.
- Beidh mé ag brú lena chinntiú go bhfuil riachtanais LENS na mac léinn go léir á gcomhlíonadh agus tacóidh mé le hoiliúint fheabhsaithe a chur ar fheitheoirí scrúduithe.
- Agus molfaidh mé comhtháthú leanúnach phrionsabail UDL trasna curaclaim

Aontas tacúil

- Is iad na hionadaithe ranga bunchloch ár nAontais; mar Oifigeach Oideachais oibreoidh mé chun muintearas níos fearr a chothú laistigh den SU, le níos mó imeachtaí d'ionadaithe lasmuigh de Chomhairle agus fóraim oscailte chun ionchur díreach a cheadú chun shaincheisteanna acadúla a réiteach.

Táimid go léir anseo chun oideachas a fháil agus ba mhaith liom mo thaithí agus mo dhíograis a úsáid chun an próiseas sin a dhéanamh chomh réidh agus is féidir agus a chinntiú nach dtéann aon mhac léinn gan tacaíocht óna Aontas!
