

If you didn't already know,

WE HAVE A PLAN.

and it's a **big** one. And because most students are too busy to spend their time reading manifestos, we made our **Minifesto**.

— MINIFESTO: A PLAN OF ACTION. —

Stop the waste of your money.

There is no such thing as SU money, only your money. TCDSU manages an annual budget of over a **€1,000,000**. In 2022, you paid €20,218 for a sleepover. The SU hasn't even released a financial statement since 2023. This is why we will review and reduce wasteful spending within the Union.

Offer new opportunities for students.

Trinity is full of talent, and the union has the resources - but they are not being used to their full potential. Students deserve more than the status quo. We will launch new student-led initiatives like TCT, creating real experiences, real skills, and better services across the entire Student Union.

Support students.

College is unique, and so are the challenges that come with it. Yet many students are unaware of the supports available to them. This is why we commit to promoting student services like the Addiction Recovery Support Group, and establishing a new group for survivors of Sexual Assault. Often, if students don't know about these services, then they don't exist to them. It's our job to fix that.

Introduce 'student' and 'standard' pricing.

The shops and cafes are some of the most common ways that students interact with the SU. They offer goods at affordable prices because of SU funding. This is a good use of your money. However, it isn't only students that use these services, and students shouldn't subsidise tourists' snacks. That's why we will implement 'student' and 'standard' prices for SU operated shops and cafes.

Create a SU Membership Registry.

The power of the Student Union comes from the collective power of its members, but it is important that we remember that there is no such thing as a mandate by compulsion. This is why we will create the SU Membership Registry, allowing students to withdraw their name as a member of TCDSU. Not only will this strengthen rights of association, it will also strengthen the legitimacy of our mandate.

Build a Student Union that works.

The SU simply does not work as it should. The leadership is disjointed and without a coherent direction, Comhairle is dysfunctional and unrepresentative. You deserve better. That's why we'll establish both a SU Executive to improve coordination and direction, and a new SU Assembly to work alongside Comhairle to tackle legislative issues and hold the SU Executive accountable.

Mura raibh a fhios agat cheana féin,

TÁ PLEAN AGAINN.

agus is ceann mór é. Agus toisc go bhfuil formhór na mac léinn róghnóthach chun a gcuid ama a chaitheamh ag léamh forógraí, rinneamar ár **Minifesto**.

— MINIFESTO: PLEAN GNÍOMHAÍOCHTA. —

Stop le cur amú do chuid airgid.

Níl a leithéid de rud ann agus airgead Aontas na Mac Léinn, ach do chuid airgid féin amháin. Tá buiséad bliantúil os cionn **€1,000,000** ag Coláiste na Tríonóide agus na hAstráile. Sa bhliain 2022, d'íoc tú €20,218 as oíche thar oíche. Níl ráiteas airgeadais eisithe ag Aontas na Mac Léinn ó 2023 i leith. Sin é an fáth go ndéanfaimid athbhreithniú ar chaiteachas dramhaíola laistigh den Aontas agus go laghdóimid é.

Deiseanna nua do mhic léinn.

Tá Coláiste na Tríonóide lán le tallann, agus tá na hacmhainní ag an aontas - ach níl siad á n-úsáid go hiomlán. Tuillte ag mic léinn níos mó ná an status quo. Seolfaimid tionscnaimh nua faoi stiúir mac léinn ar nós Coláiste na Tríonóide, ag cruthú fíor-eispéiris, fíor-scileanna, agus seirbhísí níos fearr ar fud Aontas na Mac Léinn ar fad.

Tacaíocht a thabhairt do mhic léinn.

Tá an coláiste uathúil, agus tá na dúshláin a bhaineann leis uathúil freisin. Ach níl go leor mac léinn ar an eolas faoi na tacaíochtaí atá ar fáil dóibh. Sin é an fáth a bhfuilimid tiomanta do sheirbhísí mac léinn a chur chun cinn, mar shampla an Grúpa Tacaíochta um Aisghabháil Andúile, agus grúpa nua a bhunú do mharthanóirí lonsaithe Gnéis. Is minic, mura bhfuil a fhios ag mic léinn faoi na seirbhísí seo, ní bhíonn siad ann dóibh. Is é ár gcúram é sin a réiteach.

Praghsáil ‘mac léinn’ agus ‘chaighdeánach’.

Tá na siopaí agus na caiféanna i measc na mbealaí is coitianta a mbíonn mic léinn ag idirghníomhú leis an Aontas Eorpach. Cuireann siad earraí ar fáil ar phraghsanna réasúnta a bhuíochas le maoiniú an Aontais Eorpaigh. Is dea-úsáid airgid í seo. Mar sin féin, ní mic léinn amháin a úsáideann na seirbhísí seo, agus níor cheart do mhic léinn sneaiceanna turasóirí a fhóirdheonú. Sin é an fáth a gcuirfimid praghsanna ‘mac léinn’ agus ‘caighdeánacha’ i bhfeidhm do shiopaí agus caiféanna atá á reáchtáil ag an Aontas Eorpach.

Cruthaigh Clárann Ballraíochta AML.

Tagann cumhacht Aontas na Mac Léinn ó chumhacht chomhchoiteann a chomhaltaí, ach tá sé tábhachtach go gcuimhnimis nach bhfuil a leithéid de rud ann agus sainordú de bharr éigeantais. Sin é an fáth a gcruthóimid Clárann Ballraíochta Aontas na Mac Léinn, rud a ligfidh do mhic léinn a n-ainm a tharraingt siar mar chomhaltaí de Choláiste na Tríonóide. Ní hamháin go neartóidh sé seo cearta comhlachais, ach neartóidh sé dlisteanacht ár sainordaithe freisin.

Tóg aontas a oibríonn.

Ní oibríonn Aontas na Mac Léinn mar ba chóir. Tá an cheannaireacht easaontaithe agus gan treo comhtháite, tá Comhairle mífhéidhmiúil agus neamhionadaíoch. Tuilleann sibh níos fearr. Sin an fáth a mbunóimid Feidhmeannach Aontas na Mac Léinn chun comhordú agus treo a fheabhsú, agus Tionól nua Aontas na Mac Léinn chun oibriú taobh le taobh le Comhairle chun dul i ngleic le saincheisteanna reachtaíochta agus Feidhmeannach Aontas na Mac Léinn a choinneáil cuntasach.
