Manifesto: Darragh Kane O'Toole

Since my first involvement at 15 Volunteering at Citywise I have been actively involved in volunteering work. Starting by teaching 2 stem programmes in Citywise(Youth centre) then moving to college and becoming a class rep with the student's union for 2 years, setting up a social enterprise with Enactus to train youth from disadvantaged backgrounds, being a peer mentor and access leader helping incoming students.

I was the disability campaign coordinator for the UCDSU representing students on 2 Equality diversity inclusion committees and am currently on the USI/AHEAD disability advocacy group. I was Auditor of UCD Philosophy society where I worked hard to cultivate an open and safe community for all members.

I'm passionate about equality in community, opportunity and education which are at the heart of my volunteering. I've been fortunate enough to get to represent students and contribute to the communities I've been a part of and would be honoured to represent postgraduate students' interests in Trinity.
