

Coiste na Gaeilge

Ciara Ní Mhurchú

Is mise Ciara Ní Mhurchú agus ba mhaith liom a bheith i m'ionadaí iarchéime ar Choiste na Gaeilge. Táim i mbun PhD i Roinn na Gaeilge agus táim an-tógtha le cúrsaí Gaeilge, agus seasaim ar son cearta do thaighdeoirí PhD a bhaint amach. Tuigim go maith an tábhacht a bhaineann le guth láidir na n-iarchéimithe ar choistí an choláiste, agus go seasann muid le chéile. Tá taithí agam cheana féin ar Choiste na Gaeilge, bhí mé ar an gcoiste agus mé i mo mhac léinn bunchéime agus bhí mé i m'ionadaí iarchéime ar an gcoiste anuraidh. Tá taithí agam, mar sin, le hagóidíocht agus le feachtas ar son cearta teanga agus ar son cearta do thaighdeoirí PhD chomh maith. Ba mhaith liom an deis a fháil a bheith gníomhach ar an gcoiste seo arís ar son na n-iarchéimithe. Tá sé tábhachtach go mbeadh guth láidir ag iarchéimithe i gcúrsaí Gaeilge, agus, chomh maith leis sin, go seasann an guth sin ar son cearta na dtaighdeoirí PhD. Bheinn buíoch díot as vóta a chaitheamh ar mo shon. Go raibh maith agaibh.

English

I'm Ciara Ní Mhurchú and I would like to be the postgraduate representative on the Irish Language Committee. I am doing a PhD in the Department of Irish and Celtic Studies. I am passionate about all things Irish and I stand for securing basic rights for all PhD researchers. I understand the importance of having a strong postgraduate voice on all college committees, and that we stand together. I have experience on the Irish language committee, I was a representative on the committee as an undergraduate and I was the postgraduate representative last year. I have experience with campaigning and protesting for Irish language rights as well as for PhD rights. I would like to have the opportunity to be active on the Irish Language Committee again on behalf of postgraduates. It's important that we have a strong voice in Irish language matters, and, equally, that that voice stands for the rights of PhD researchers. I would be very grateful if you voted for me. Thank you.
