

Claudia Peroni

for student life committee

- 3rd year Phd in Sociology
- PWO member
- Student Life committee member 2022/23

I am committed to representing postgraduates on the Student Life Committee by continuing to engage with the university-wide **Postgraduate Renewal Programme**.

TCD needs more **postgraduate voices** shaping its policies and better **supports for PhDs**. My active involvement with PWO gave me valuable insight into postgraduate conditions and the motivation to fight for a working environment where we are recognised and valued.
